

Whooooooo's There?

Come learn all about one of nature's most fascinating birds, the **OWL**. Michigan is home to a number of varieties of this big feathered friend, and we'd love to tell you all about them. You'll even get to dissect an actual owl pellet.

Join us on: **Saturday, October 15th**
11:00 a.m. for about an hour

Location: **Maybury State Park** at the Concession Building
8 Mile Road entrance just west of Beck Road

Information: 248-349-8390/www.friendsofmaybury.org

Do you know
WHOOOOOOOO
these owls are?

Put on by Maybury State Park and the Friends of Maybury.
Check us out on Facebook or www.friendsofmaybury.org.
